### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The application is in condition for allowance for the same reasons listed in the office action of September 28, 2007. Additionally, contrary to the statements in the NPL documents of December 26, 2007, Gossner does not teach the friction drive arrangement required by the present invention. Specifically, while it does teach a friction drive arrangement with fixedly arranged guides arranged to cooperate with a portion of a hanger carrier to unlock the drive connection, it does not have the rear carrier provided with a depressing means adapted to cooperate with a projecting portion of the a front carrier as required by the independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark A. Deuble whose telephone number is (571) 272-6912. The examiner can normally be reached on Monday through Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gene O. Crawford can be reached on (571) 272-6911. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
